

Terms and Conditions for Book Formatting

1. Eligibility Criteria

To qualify for formatting services, all submitted books must adhere to the following conditions:

- The content must be **biblically sound** and must not contain teachings contrary to the Word of God.
- All Scripture quotations and references must exclusively use the **King James (Authorized) Version**.
- The book must be **spiritually edifying**, meaning no cursing, swearing, or inappropriate language should appear in the text.
- **Fictional books are generally not preferred**. However, acceptance will be determined on a case-by-case basis.

2. Purpose and Mission

This formatting service is dedicated to supporting the production of solid Bible-based materials that encourage believers in their spiritual growth. Each project will be evaluated based on two primary standards:

1. **Is it pleasing to the Lord?**
2. **Could this book be translated into Spanish and given to a new believer to help them grow closer to the Lord?**

If your book meets these conditions and aligns with this mission, I would be honored to assist in the formatting process.
